

Applicants do not traverse the restriction of Group III (claims 26 and 27).

Accordingly, while applicants provisionally elect claims 1-21 for examination, the restriction should have claims 1-25 included in Group I and claims 26 and 27 as a second group.

In view of the foregoing election and traversal applicants respectfully request examination of pending claims 1-25.

Respectfully submitted,

Jeffrey B. Oster
Attorney for Applicants
